Assessment Essentials- Kip McGrath Driffield and Bridlington

1. The Essentials to Bring

- **A Recent School Report:** This helps our tutors to align the assessment results with their classroom performance.
- **Any SEND Paperwork:** If your child has specific learning requirements, having these on hand allows us to tailor the session from minute one.
- **A "Can-Do" Attitude:** Remind your child there are no "wrong" answers here—we just want to see how they think!

2. Arrival Details

Our Driffield Centre is located at First Floor, 25A Market Place, Driffield, YO25 6AR. Lookout for our blue signs to lead the way.

There is parking nearby at Lidl and Tesco. There is limited on-street parking on neighbouring roads (check local signage for restrictions)

- Try to arrive at least 5 minutes before your assessment to give time to settle into our space. Our cosy reception has free refreshments.
- You'll be greeted by the tutor who will be completing the assessment.

3. What to Expect (The 60-Minute Breakdown)

There are three parts to the assessment:

- **The Warm-up:** We'll have a quick chat with you and your child to settle any nerves, discuss why you're looking for tuition and explain how the assessment works.
- **The Diagnostic:** The assessment covers English and/or Maths and will take place in one of our tutor rooms using a combination of computer and paper-based tasks.

    - The **English** section covers Reading, Spellings and Comprehension (completing sentences).
    - The **Maths** section includes Number Value, Operations (addition, subtraction, multiplication, division), data handling, Fractions, Shape, and Measures.
- **The Feedback:** After the assessment we'll provide you with a copy of the results, share our recommendations and discuss options for next steps.

4. Frequently Asked Questions

"Does my child need to study?" No! In fact, it's better if they don't. We want to see their natural starting point so we can build the perfect plan.

"Can I stay during the assessment?" We usually find children perform best when they can focus one-on-one with the assessor, but we will be right next door for the feedback session!
