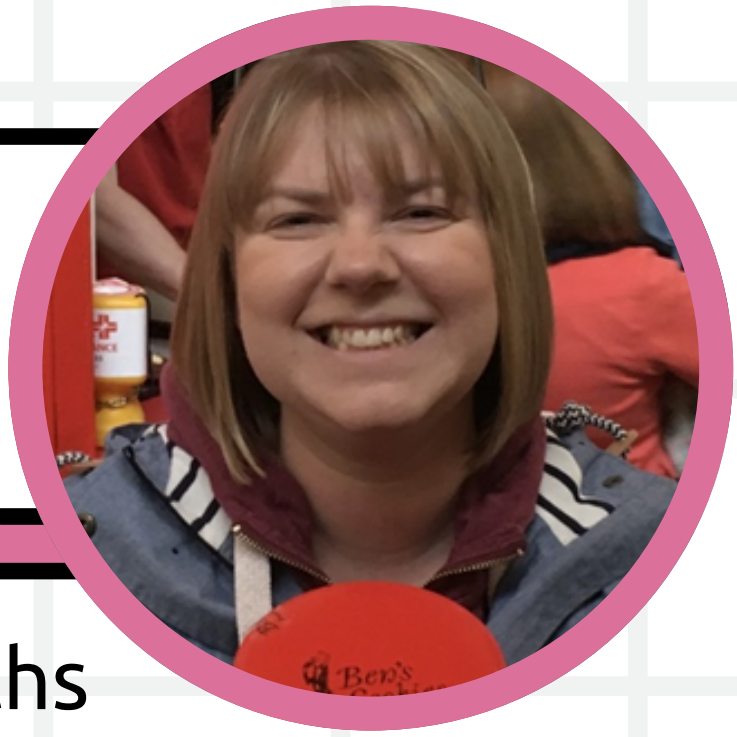
Meet the Tutor

Gemma



Teaching Subjects: English & Maths

About Me !

I am Gemma, and I own the Kip McGrath Tuition Centre in Driffield & Bridlington.
I have been a teacher for 17 years and originally taught English at secondary schools across East Yorkshire and North Lincolnshire. I have also taught in a Special Needs School and was a secondary school SENCo for 8 years. I really enjoy working with students of all ages and enjoy helping them to succeed and overcome their own challenges to learning.
I really enjoy reading (particularly Harry Potter and books by Julia Donaldson) and going to the theatre and cinema. Over the summer, we went to see Matilda at the theatre, and it was amazing!! I have recently seen Toy Story 5 at the cinema and Minions.

I like to travel and have really enjoyed visiting Copenhagen and Amsterdam. I really enjoy getting outside and visiting the countryside or the beach in warmer weather; I particularly love Dalby Forest and Dane's Dyke. I live with my 7-year-old daughter, Ella, husband Simon and cat: Lupin (he is named after a Harry Potter character) in Beverley.
I am really looking forward to meeting new students and welcoming them to Kip McGrath Driffield & Bridlington, either in-person or virtually.

Here's a picture of me clutching a box of cookies – I absolutely love ALL types of cookies, especially Ben's Cookies!!
